Academic Qualifications:

- Ph.D. in Cell Biology (2004) Dept. of Cell Biology and Biophysics, University of Athens
- M.Sc. in Agricultural Biotechnology (1998) Dept. of Agricultural Biotechnology, Agricultural University of Athens
- Degree in Agricultural Biotechnology (1998) Dept. of Agricultural Biotechnology, Agricultural University of Athens

Appointments:

- 2005-today: Biologist, University of Athens, Faculty of Biology, Dept of Cell Biology and Biophysics
- 2004-2012 (part time) Senior Investigator, Biovista
- 2001-2002: Collaborative researcher, University of Amsterdam
- 2004-today: Collaborative researcher and Laboratory teaching Staff, Dept. of Cell Biology and Biophysics, University of Athens

Teaching Activities: (current)

Undergraduate courses

- Cell Biology (compulsory)
- Advanced Cell Biology (elective)
- Biology (Dept of Physics, Dept of Chemistry) (elective)

Postgraduate courses

- Drug development/in silico Biology/Cell Biology (M.Sc. “Applications of Biology in Medicine” <https://biol-med-applications.gr/>) NKUA
- Biology I & II (M.Sc. “Didactics of Biology” <https://didactics-of-biology.gr/>), NKUA
- Genetic/neurobiology/Didactics of Biology (Msc “Pedagogy through Innovative Technologies and Biomedical Approaches”, University of West Attica)

Research Interests/Activities: (last 10 years)

- Biology education
- Drug repositioning
- In silico drug discovery
- Literature analysis
- Peroxidases and chorion hardening
- Choriogenesis
- Chorion and death signaling

Scientific Publications/Citations:

- 18 publications in refereed journals
- More than 300 citations. (H-index8)
- Author/co-author of 1 book chapter
